

What three people would you most want to have dinner with and why?

Keri Hilson, Kanye West and Lebron James because they are some of my favorite artist and athletes.-
Monique Currie

Naomi Campbell, because she's kind of like my idol, Pastor Rod Parsley because I always grew up listening to his sermons, and Michael Beasley because I think he is so cute-**Bernice Mosby**

Oprah. Once you've met Oprah you then know you've made it, President Obama just because he's an inspiration. Kobe Bryant just to pick his brain about his workout.-**Alana Beard**

My father...I still have unanswered questions, the future Matee Ajavon....I want to ask her "what life feels like now", God...for sooo many reasons-**Matee Ajavon**

Jesus, Oprah and Obama-**Crystal Langhorne**

Eve...to ask her why she took a bite of that apple, Obama...to discuss our nation's future
Katie Mae Harding....my grandmother who died before I was born. Would love to have met her.-**Lindsey Harding**

Oprah Winfrey because she is the best! Mary J Blige because of her music I feel like we are good friends.
Will Smith because I would love to go on a date with him.-**Chasity Melvin**

Michael Jordan/Magic Johnson- They are my two favorite basketball players of all times, so one of those guys. Some Music Icon- I can't decide on one because I love so many
Vince Vaughn/Will Ferrell- I love to laugh and they are my favorite comedians-**Marissa Coleman**

Oprah, Dr. Sheila Johnson, and my great great great grandmother-**Nakia Sanford**

Salvador Dali, Dave Matthews and Aphrodite... absolutely brilliant and extraordinary.-**Kristen Mann**

Oprah, Beyonce, and Whitney Houston. All of these are strong African American women who I admire. I would want to pick their brains to see what drives them and how they got to where they are today. If I could choose a fourth it would be Barrack Obama.-**Nikki Blue**

What superpower would you like to have and why?

Be invisible so I can catch sneaky people in the act-**Monique Currie**

Happy superpower, just to touch the lives of each person I come into contact with and just let them enjoy happiness. I believe Happiness overcomes money or anything else-**Bernice Mosby**

To see the future. I like to know what's next!-**Alana Beard**

I would like to be able to satisfy everyone.....it would be called SUPER-SATISFACTION.....the world would be easier to everyone if they were happy-**Matee Ajavon**

That I could just pop up anywhere.-**Crystal Langhorne**

I would love to be like Storm from X-men, who can change the weather. With more sunlight people tend to be much happier-**Lindsey Harding**

I would like to have inspector gadget powers so I could grab more rebounds.-**Chasity Melvin**

To be invisible so I could spy on people-**Marissa Coleman**

Supersonic speed. So I can get from one place to another super fast.-**Nakia Sanford**

I wish I could snap my fingers and be anywhere I want, not have to deal w/ traveling.-**Kristen Mann**

Absorption power. It's the ability to absorb/take other people's power from them and use it for my benefit.-**Nikki Blue**
